- The program is designed for graduates of the A.S. degree program in Nursing. BVCTC students who have completed the A.S. in Nursing and successfully completed RN licensure may enter the BSC baccalaureate degree Nursing program.
- Students of BridgeValley Community and Technical College who enter the BSN Program must apply for and meet the School of Nursing and Allied Health requirements for admission to the program that are to be found in the Bluefield State College Catalog.
- A maximum of 72 credit hours from BVCTC will be allowed toward the fulfillment of the 120 credit hours required for the BSC baccalaureate degree in Nursing.
- All courses meeting general education requirements at BVCTC will transfer to BSC as general education.
- Students must maintain a 2.0 cumulative grade point average in order to transfer.
- Students will be afforded the professional services of the Office of Admissions, Office of Financial Aid, Office of the Registrar, and the Office of the Bursar in securing necessary college admission and registration at BSC.
- Assistance will be given to those eligible to compete for additional academic scholarships at BSC.
- Bluefield will conduct informational sessions for prospective students on a scheduled basis, as well as on-site advising, registration, and financial aid information, as needed. Bluefield will provide appropriate advertising and promotion for the program in cooperation with BridgeValley's Vice President for Communications.
- This Agreement becomes effective on the date set forth on the signature page of this document and may be reviewed in 5 years. BVCTC and BSC agree to publicize this program. They further agree to monitor the performance of this Agreement and to revise it as necessary. The Agreement may be terminated by either party for just cause and after adequate notice to the other.
